

Flowering Wheelbarrow – Judging Standards

Refer to the Entry information for the Flowering Wheelbarrow class:

- Plant your wheelbarrow with a variety of plants, colors, textures – you can use flowers, fruit, vegetables, foliage, accessories can be added.
- Wheelbarrow may be antique or gently used, but must be moveable

Specific judging points – consider the following points:

- Wheelbarrow – to be very full to overflowing
- Tall plants in the middle or back depending on location of wheelbarrow
- Weed, disease and insect free
- Harmonious colors
- Variety of plant forms and leaf textures
- A touch of originality with plant usage or wheelbarrow
- Suitability of contents and style for the wheelbarrow
- Contents should have good proportions to the wheelbarrow
- Accessories may be added to complement the plant materials but not to distract from the overall harmonious balance
- Wheelbarrow should be clean and attractive
